

Identity
Cubicle Range

Product
Showcase

A stunning flush-fronted system, the Identity range makes it easy to create an exclusive washroom experience.

More budget-friendly compared to traditional flush systems, its closing strip replaces a rebate, delivering cost savings that open up flush-fronted cubicle systems to more projects than ever before.

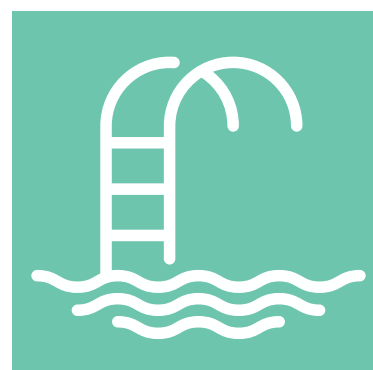

Suitable for:

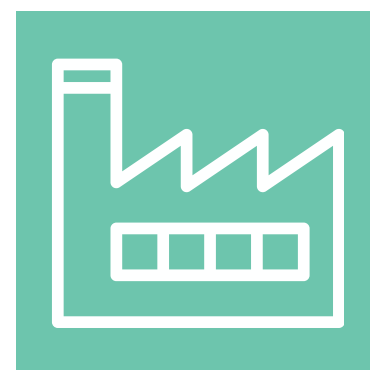

Commercial

Public
Washrooms

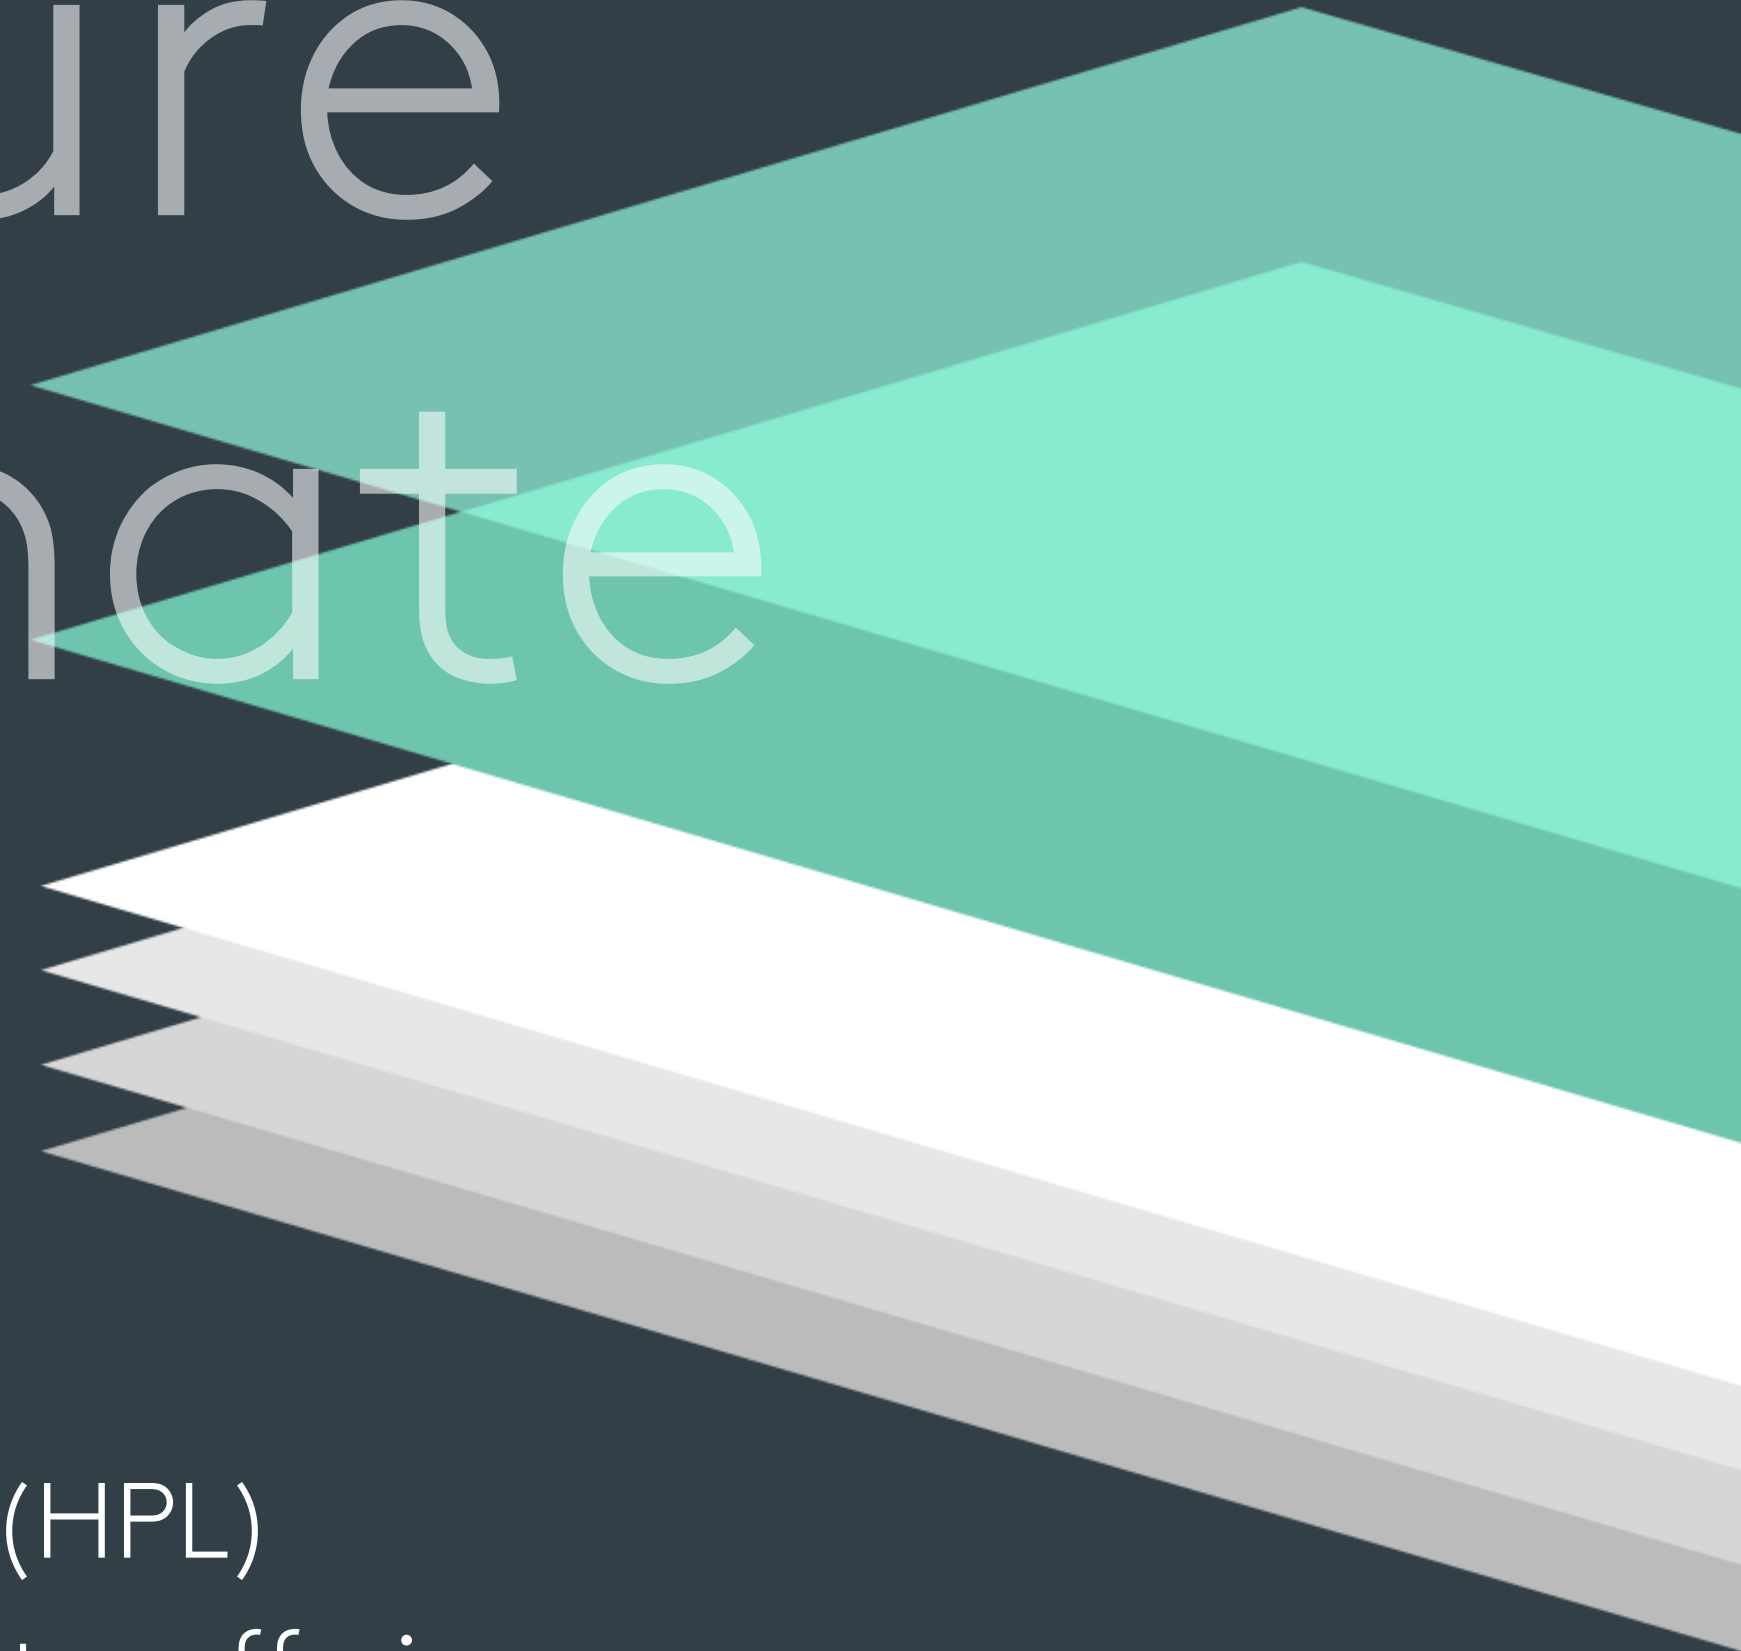

Health &
Leisure Areas

Industrial

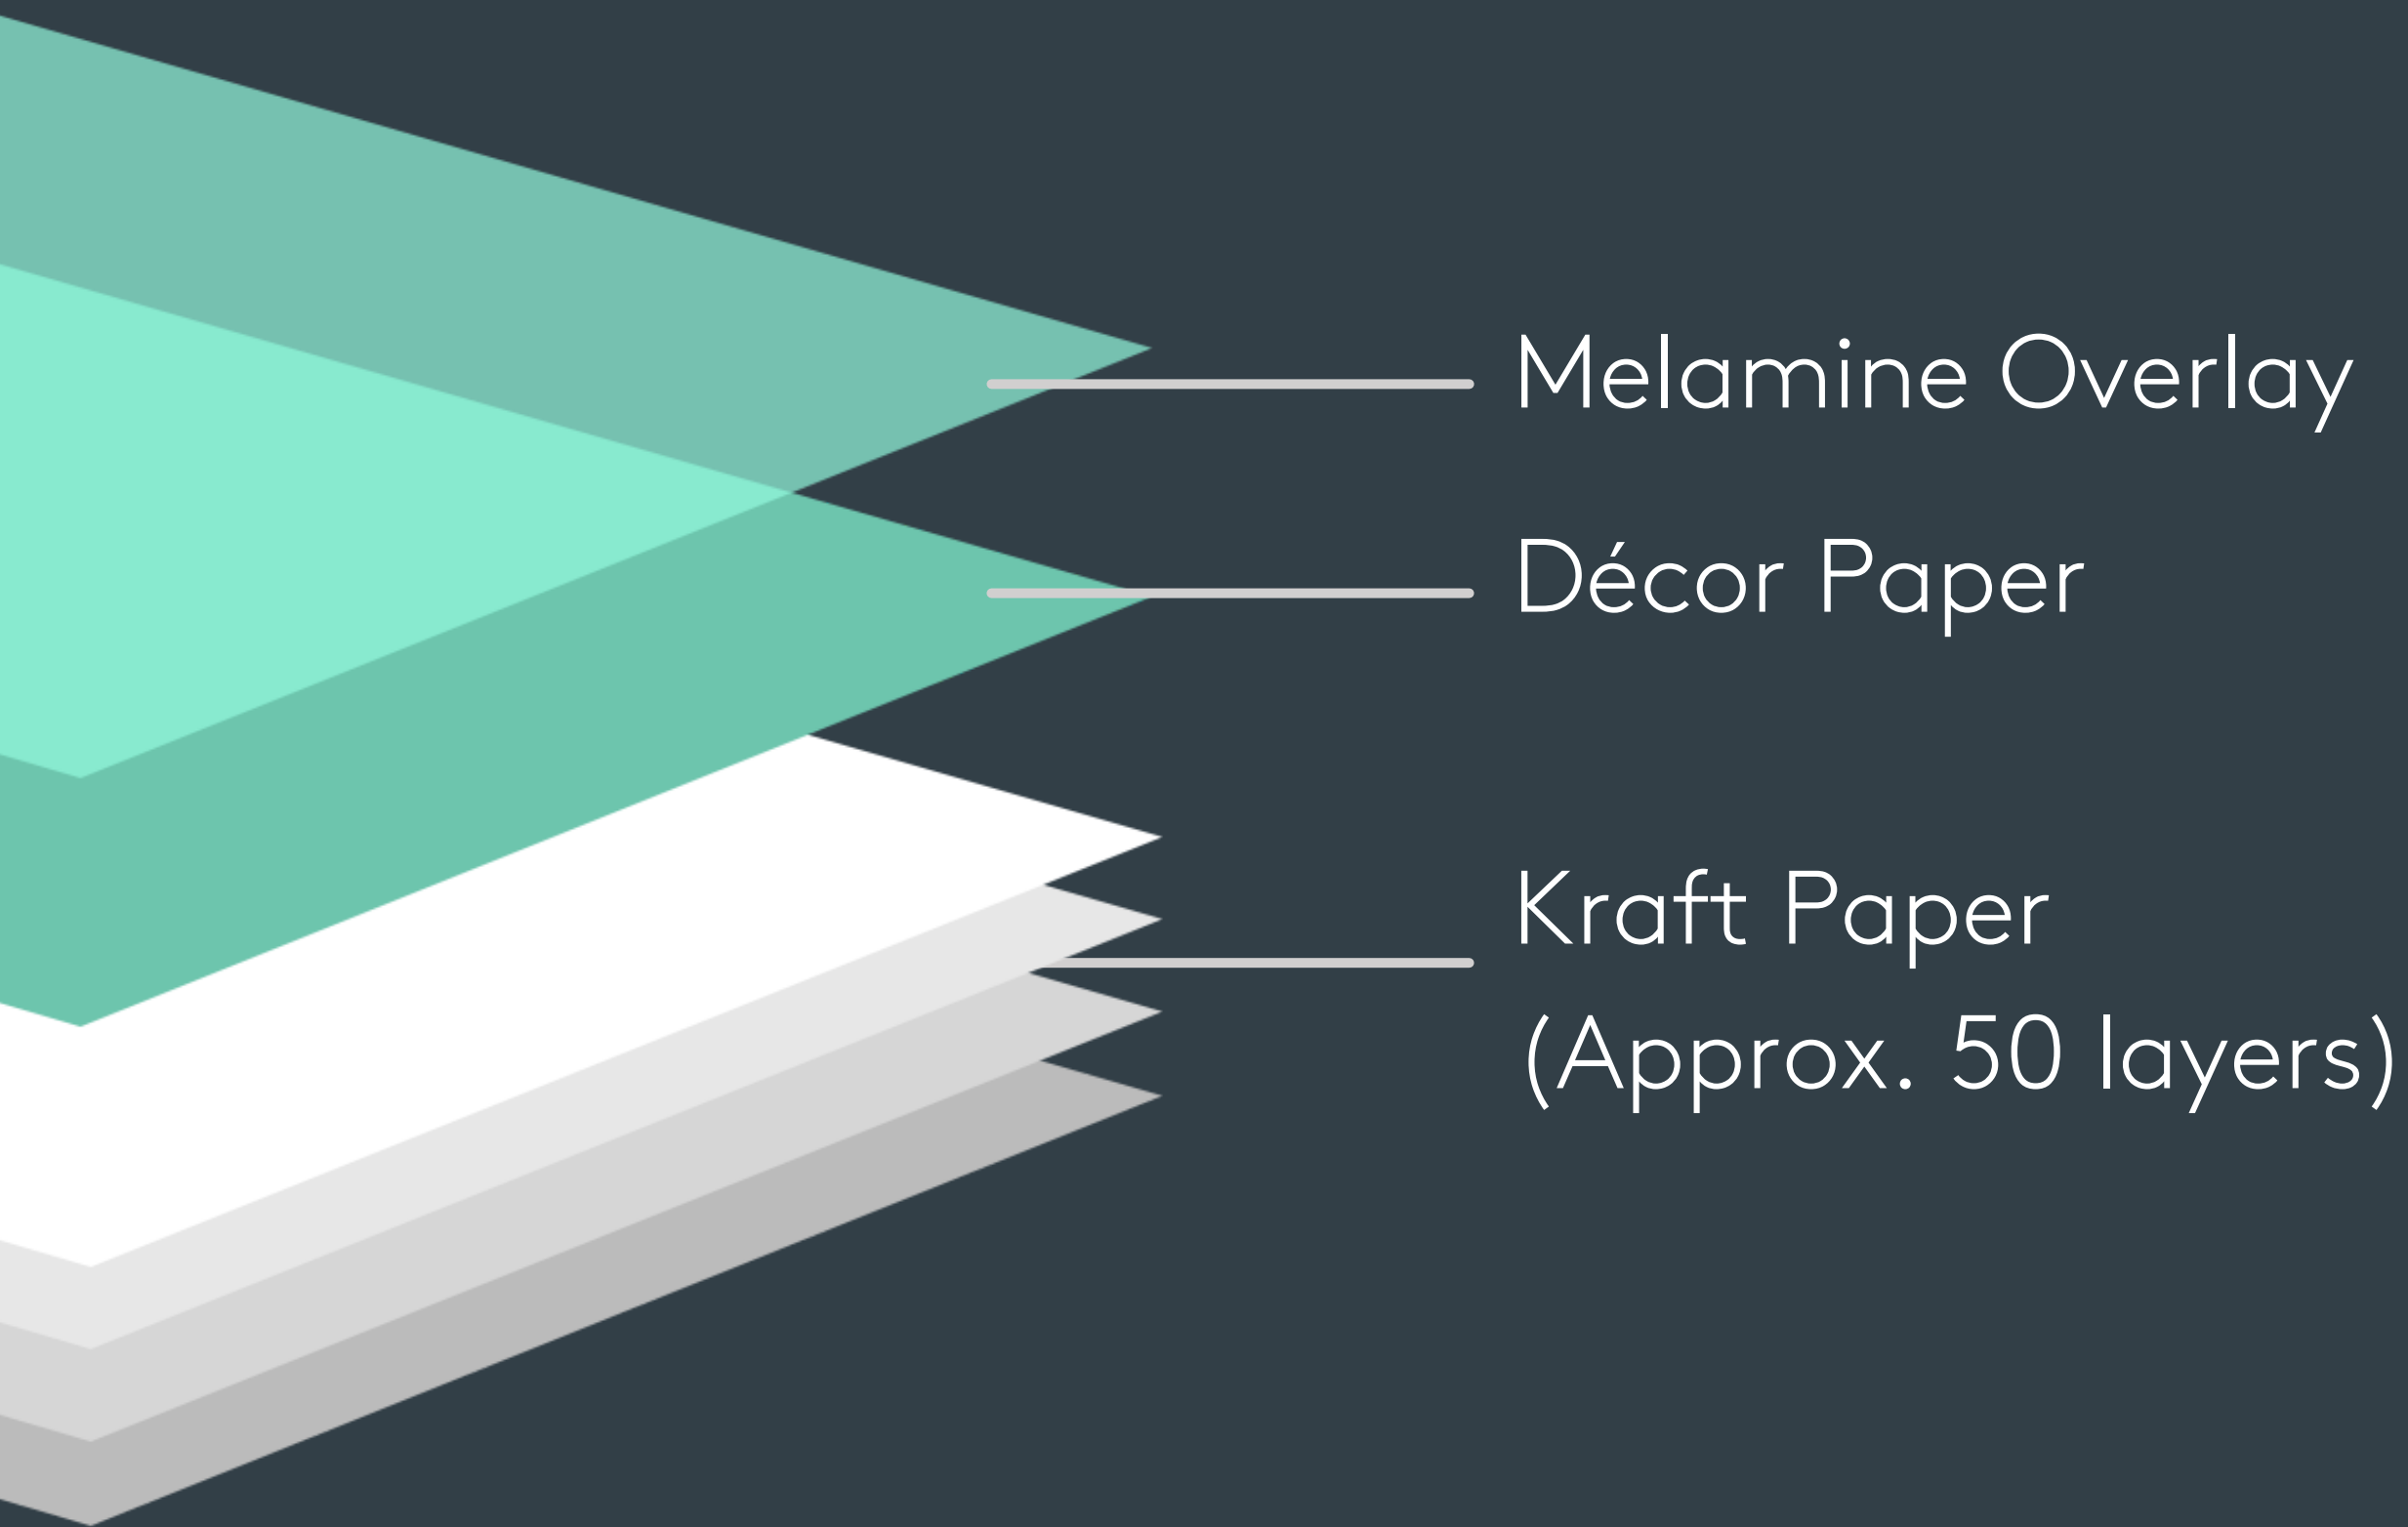

High Pressure Laminate

High Pressure Laminate (HPL) is bonded onto a substrate, offering high surface resistance to scratches, abrasion, impact and humidity.
